## Firelands Federal Credit Union's new headquarters to open April 28, right across the street from current location

It's our pleasure to announce the relocation of our main headquarters office from 221 E. Main Street, Bellevue, to 300 North Street, just across the street. This new location will offer five drive-thru lanes with an ATM/night deposit lane; a spacious first floor with open lobby, teller area, and reception space; and a second floor where we will offer support for all our branches. Our new Bellevue ATM location will be in the drive-thru lane at the new branch. Two ATMs will be eliminated with this move: 221 E. Main Street (lobby vestibule), and 120 Lyme Street (outside Mortgage Center).

For members who regularly visit this branch, relocation will require closure

for a brief period of time. Our tentative schedule is as follows:

- On **Saturday, April 25**, all Firelands FCU offices will be open during normal hours, except the Bellevue lobby. Our Bellevue drive-thru will be open as usual on this Saturday.
- On **Monday, April 27**, all offices will be open as usual, except the Bellevue office (lobby AND drive-thru will be closed).
- **Tuesday, April 28**, we will officially open our new Bellevue office. Normal hours will prevail.

This new facility gives us the opportunity for continued growth and maximum customer service. We look forward to continuing to serve our members during this changeover, with the least amount of inconvenience as possible. (LAMLIWI A GAMERS)

# Erie County Here We Come!

Firelands Federal Credit Union is so inspired by the new development taking place in downtown Sandusky that we decided to become a part of all the renewed interest in this area. We currently have five branches, and now we will be adding our sixth, located at 236 Columbus Avenue, next door to the new City Hall. This is a tremendous opportunity to be a part of the exciting things happening in Sandusky. (MAHOTS NARERG III)

With so many great restaurants and entertainment available downtown, coupled with receiving our Field of Membership expansion last year, this

location will allow us to conveniently serve residents of Erie County. We'll have approximately four employees staffing the new branch, all newly created positions. Janotta & Herner is renovating the space for us, and our expected move-in date is this summer.

Our new Sandusky branch is ideally situated, easily accessible, and will ensure all our members receive the same superior customer service and attention you've come to know and love. We'll keep everyone informed of further details as this latest Firelands FCU project moves forward.
