

Hello, Sandusky!

We're putting the finishing touches on our new location at 236 Columbus Avenue in Sandusky, and we expect to open very soon!

This downtown branch and 24/7 ATM is ideally situated, easily accessible, and will ensure you receive the same superior service you've come to know and love. We are very excited to be part of the new development taking place in Sandusky, and look forward to serving residents of Erie County. Stay tuned to our website and Facebook page for updates.

New Bellevue ATM Location Coming Soon!

We are excited to announce a new Firelands FCU ATM location coming later this year on the west side of Bellevue! Bellevue Family Dentistry is constructing a new medical professional building at 107 Progress Drive, and our free-standing drive-thru ATM will be located conveniently at this location. An official open date will be announced closer to the project's completion.

New Bellevue Office Open!

Our new corporate office and full-service branch at 300 North Street is open!

All services are now located under one roof, providing you with the best experience possible. We had

originally announced an open date in April, however, COVID-19 caused us to change our plans. Now we're ready and excited to welcome you into our new office! We encourage you to make an appointment in advance or visit the drive-thru to help limit congestion in the lobby, but if you decide to come in

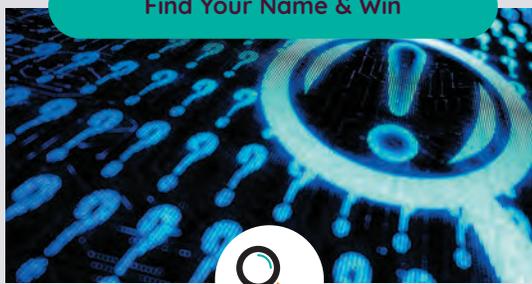

to the branch, please observe the floor markers and practice social distancing. We are hopeful that in the near future, we'll be able to host a community open house so that everyone can see our beautiful new office that we're so proud of. Thank you for your support! (IVDDA H GATNS)
