

Kids Savings Club

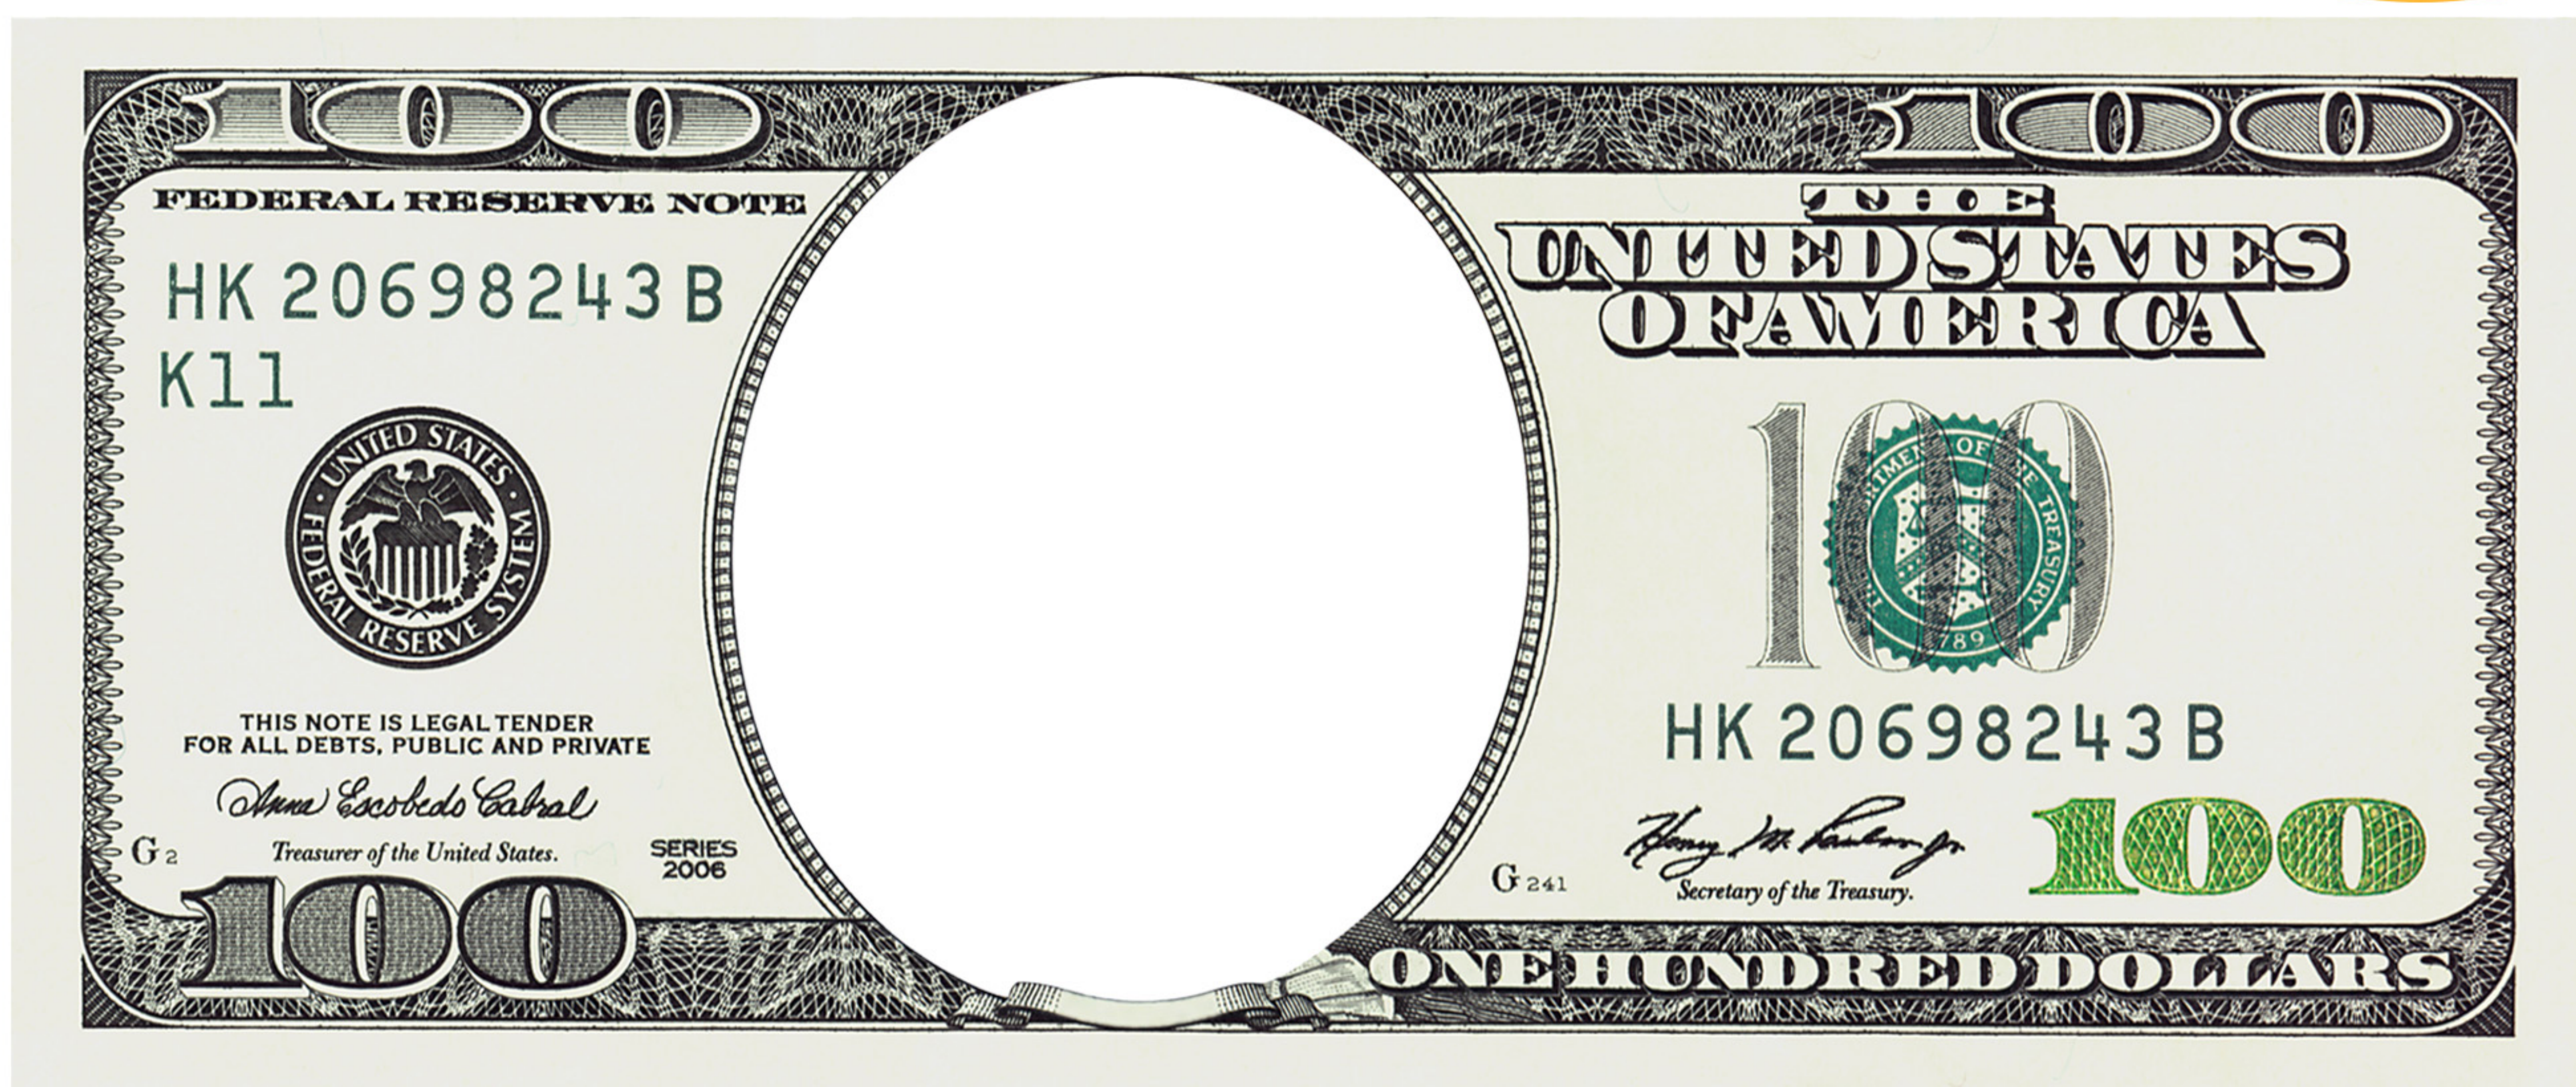

Quarterly Newsletter for kids!

What would you do with \$100?

Write out how you would spend \$100, then draw yourself within the \$100 bill!

If I had \$100 I would _____

Learning How To Save

Don't know how to spend that \$100? Consider saving it. Understanding why you should save money, and setting goals, will help develop your money savings skills.

Try to set a goal for yourself, such as buying a gift for a friend's birthday!

Did You Know? You can buy 5 flocks of ducks with \$100!

Superhero Savings Jar

You will need...

- Printed Logo
- Paint
- Brushes
- Scissors
- Marker
- Mason Jar

Before you start, grab an adult to help with this project!

- 1.** Print or draw the superhero logo you want on your jar.
- 2.** Take the paper with the logo and put it in the jar, make sure it's visible!
- 3.** Trace over the logo with a marker.
- 4.** Grab some paint and start painting!
- 5.** Leave painted jar out to dry for several minutes
- 6.** Have an adult use scissors to cut a hole in the lid of the jar.

Pick a prize from our treasure chest when you deposit into your savings!
