Firelands FCU Celebrates America Saves Week 2023

BELLEVUE, OH- Firelands Federal Credit Union (Firelands FCU) is a proud participant in America Saves Week (ASW) - an annual national campaign that encourages individuals and families to check in on their finances by highlighting several key areas that contribute to financial stability. For the second year in a row, Firelands FCU invites credit union members and the local community to celebrate ASW at their local Firelands FCU branch.

America Saves Week is February 27 - March 3, 2023, and to help promote awareness, Firelands FCU will be giving away prize items for anyone who visits a Firelands FCU branch to take the ASW pledge. Throughout the week, America Saves and Firelands FCU will be focusing on the following themes:

- Monday, February 27, 2023 | Saving Automatically
- Tuesday, February 28, 2023 | Saving for the Unexpected
- Wednesday, March 1, 2023 | Saving for Major Milestones
- Thursday, March 2, 2023 | Paying Down Debt is Saving
- Friday, March 3, 2023 | Saving at Any Age

“When is the best time to begin a savings plan? Yesterday. When is the second-best time? TODAY!” said Chief Financial Officer, Mark Overfield. “There’s nothing better than being financially confident because you’ve put your savings plan to work, and taking the America Saves Week pledge at Firelands FCU is the perfect way to start. Soon you’ll look back at 2023 as the year you embarked upon being a “Financially Confident You.”

About Firelands FCU: Firelands Federal Credit Union had its humble beginnings in 1955, when seven Nickel Plate Road employees joined together to form a financial savings club. When officially chartered in 1957, the credit union was open only to railroad employees, but in 1970, opened its membership to include anyone who lives or works in Erie, Huron and Crawford counties. Today, Firelands FCU serves over 31,000 members.

As a member-owned credit union, the earnings on Firelands FCU’s business activities are returned to the member-owner in the form of higher earnings on savings, lower rates on loans, and a wide range of related financial services at the lowest possible cost.
