

How Firelands FCU keeps Financial Literacy a top priority

April is Financial Literacy Month, and during this time, we pause to reflect on our commitment to providing you, our valued members, with essential financial literacy resources and support.

Embedded within our mission statement is a firm dedication to “Strengthen communities and improve lives by providing access to stress-free banking products, financial education, and locally-tailored services.”

Here’s how Firelands FCU can assist you in prioritizing financial literacy every day:

- **FREE financial counseling:** Our counselors, certified through the Credit Union National Association (CUNA), offer personalized guidance on budgeting, debt management,

and future planning, ensuring you’re supported every step of the way.

- **Zogo partnership:** Firelands FCU offers our members access to Zogo, the financial literacy app that rewards you with real gift cards to your favorite spots while enhancing your knowledge.
- **Finances 101:** Our financial education program designed for High School juniors covers the importance of budgeting, saving, and having good credit to equip students with essential skills for financial success.

This Financial Literacy Month, seize the opportunity to take control of your financial future with Firelands FCU by your side. Visit firelandsfcu.org to learn more about each of these initiatives.
